DEDICATION

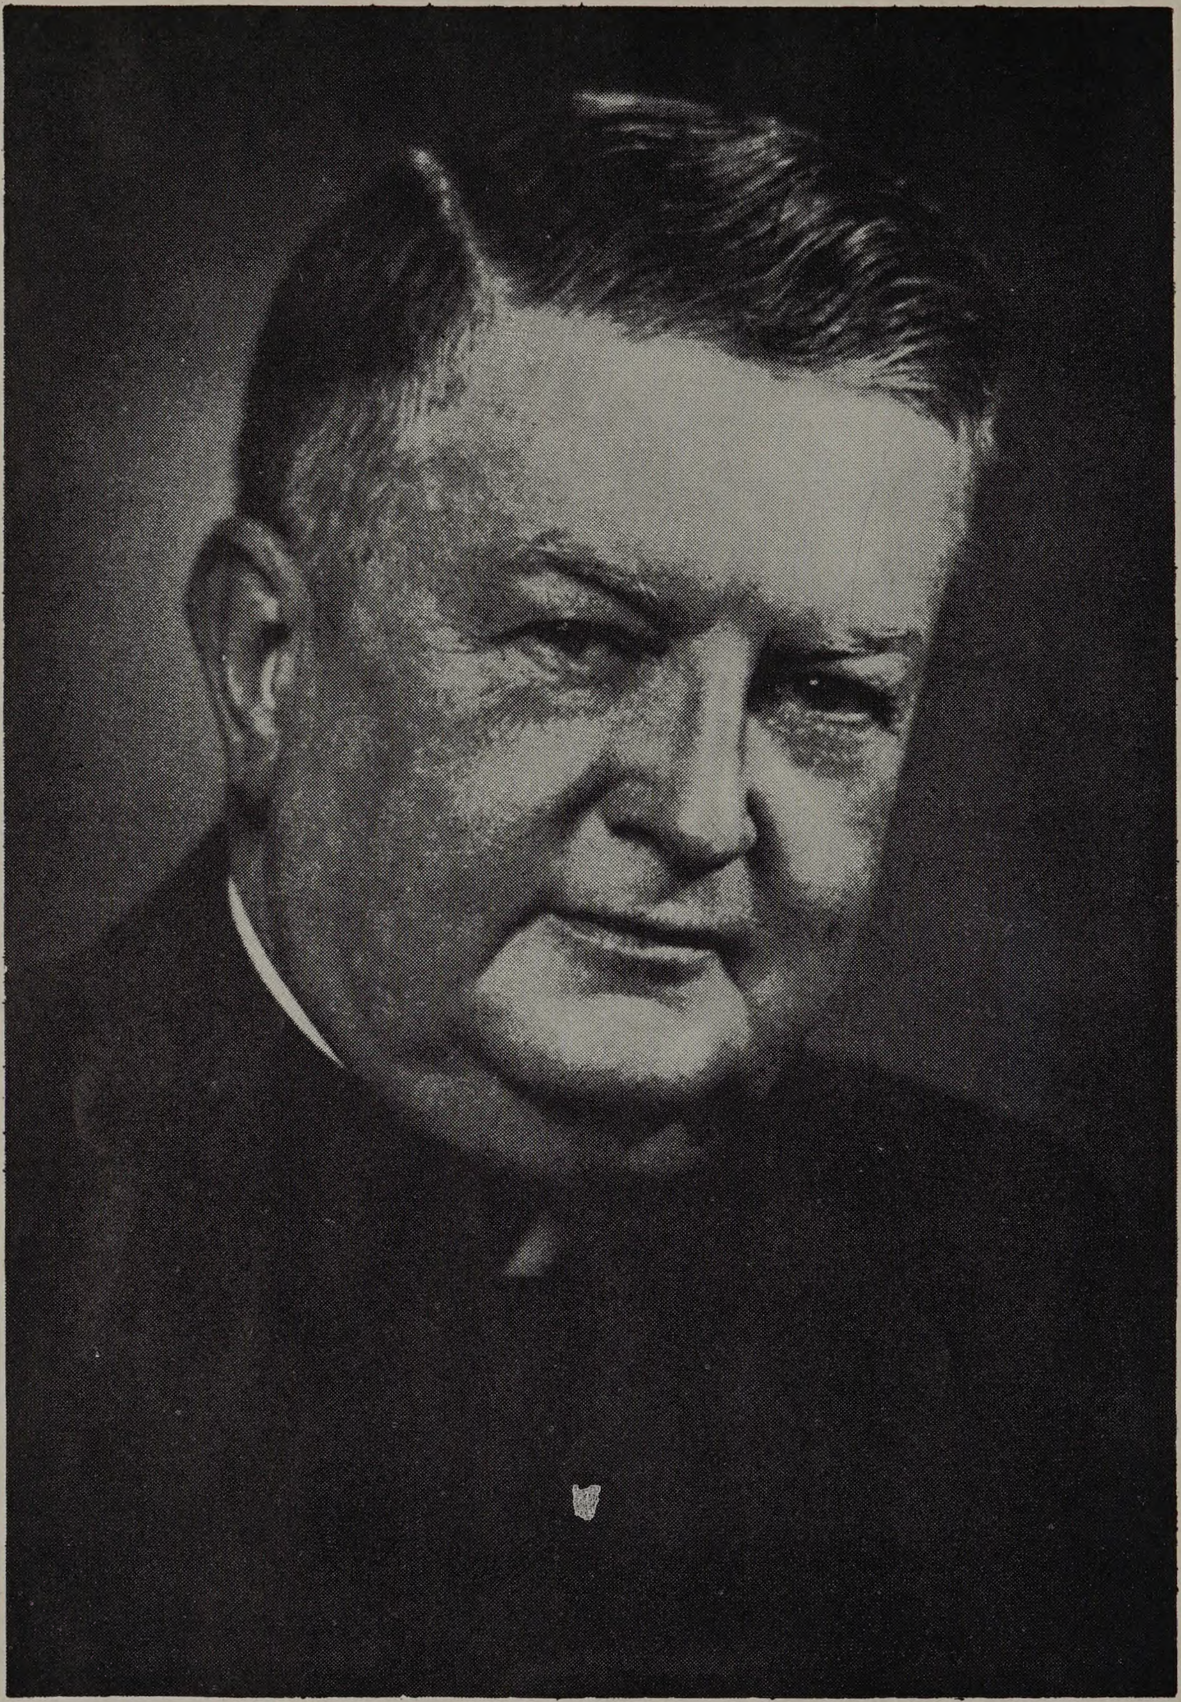
DEDICATION

To the clergy and laity who so generously gave their time and their financial aid that a Catholic Central might be built for the youth of Greater Muskegon, we, the class of '52, hereby dedicate our issue of the Mari-Hi.

HIS EXCELLENCY THE MOST REVEREND
FRANCIS J. HAAS, D.D., PH.D., L.L.D.
Bishop of Grand Rapids

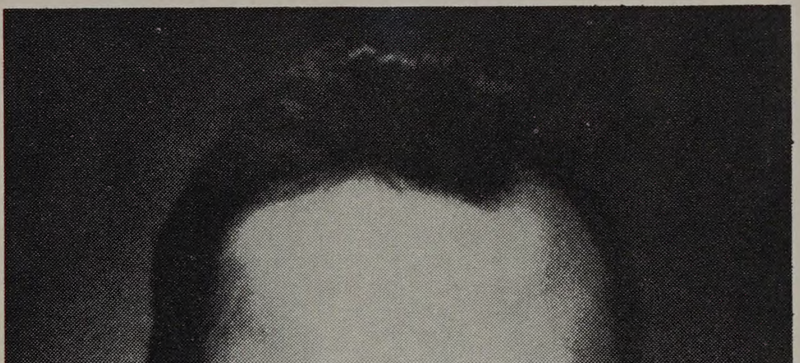
The keen interest in Muskegon, manifested by His Excellency in the forming of two new parishes and the inaugurating of the building of a Catholic Central for us his spiritual children, has been a source of encouragement to all of us.

IN CHRISTO JUSTITIA



Father Dark, our congenial pastor and able superintendent, always has time to listen, to advise, to help both the old and the young. No matter how difficult the case may be or how impossible the situation, he always finds a solution. By his kindness and understanding, he has endeared himself to the entire student body. His helpful suggestions, as he presents us with our report cards, have been an inspiration for all of us to do better work.

To Father Gallagher, our religious instructor for the past year, we owe unfailing loyalty and heartfelt gratitude for his able and helpful advice. His dry humor enlivened our classes.



To Father Reitz we owe many thanks for his sound advice given in the confessional and for his interest in our social schedule and in our sports program. His priestly zeal coupled with his genuine friendliness and quiet helpfulness marks him as both a Father and a pal.

COOL COOKING

another advantage of the "CP" automatic gas range

Let the clock do your cooking this summer. The clock on the new "CP" automatic gas ranges will turn the oven on and off and cook an entire meal deliciously while you are enjoying yourself in cool comfort on the porch. Replace your tired old stove with a new "CP" automatic gas range with super insulation that confines the heat to the oven and broiler. See them in the stores or at the Gas Company.

HERE'S TO YOU, GRADUATES!

Greater Muskegon is proud of you! Sealed Power is proud of you! As a graduate of our Greater Muskegon High Schools, you are eminently well qualified to step out, to college or to a job, and give us all cause for further pride.

Since 1911, Sealed Power has been one of Greater Muskegon's largest employers. It has been our policy always to give preference to young people who have been educated in Greater Muskegon. It has been our pleasure to see many of them advance to top positions here. Never, in all time, has there been greater opportunity for high school graduates than now. Because of our faith in you, and in the Greater Muskegon schools you attended, we know you will make the most of that opportunity.
